DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-6 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1 line 13, "with a sliding base" is not understood.

Claims 3-6 recite a "tenon" which generally is recognized in the woodworking art, but the meaning here is unclear.

Claim Objections

3. Claims 1-6 are objected to because of the following informalities: Claim 1 has plural capitalized words (such as "A" and "Two"), but each claim should contain only one capitalized word. Appropriate correction is required.

Allowable Subject Matter

4. Claims 1-6 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
